vinayyarakalapudi2006@gmail.com — +91-6300874515

## Summary

Diligent and ambitious Computer Science student with a strong academic foundation in software development. Eager to leverage my theoretical knowledge in full-stack development, problem-solving, and programming to contribute to innovative and impactful projects. Committed to continuous learning, collaboration, and applying academic insights to real-world software solutions in a dynamic development environment.

## Personal Details

**Date of Birth:** April 17, 2006  
**Gender:** Male  
**Current Location:** Suryapet, Telangana

## Education

Qualification	Institution / Board	Year	Score
B.Tech/B.E. in Computer Science	Chaitanya Bharathi Institute of Technology, Hyderabad	2024 – Present	9.79 CGPA
Class XII	Sri Vagdevi Jr College	2023	98.2%
Class X	Krusha Vidhyalayam	2021	10 CGPA

## Projects

### Rock Paper Scissors Game

Feb 2025

Developed an interactive, web-based Rock Paper Scissors game with the following technologies:

- **HTML & CSS** for layout and design
- **Bootstrap** for responsive and mobile-first styling
- **JavaScript** for game logic and user interactivity

### Event Organization Static Webpage

Jan – Feb 2025

Designed a static webpage for event management, focusing on institutional events, using:

- **HTML & CSS** for structure and design
- **Bootstrap** for responsive, mobile-friendly layout

## Student Management System (Full Stack)

*Mar – Apr 2025*

Built a complete, CRUD-based web application for managing student data using the MERN stack:

- **MongoDB** for efficient document storage and database management
- **Express.js** and **Node.js** for backend REST API development
- **React.js** for creating a dynamic, user-friendly frontend
- Key features: student registration, update, delete, and list view functionality
- Deployed on **Render**, with full configuration for frontend and backend integration

## Skills

---

- **Programming Languages:** Python, C, SQL, Java (familiar)
- **Libraries/Tools:** Numpy, Pandas, OOP
- **Web Technologies:** HTML, CSS, JavaScript, Bootstrap, MERN Stack
- **Languages Known:** English (Fluent in both spoken and written)

## Achievements & Certificates

---

- **JEE Advanced Rank:** 1100
- **JEE Mains Rank:** 20000
- **NPTEL Certificate:** Problem Solving Through Programming in C
- **NPTEL Certificate:** Programming in Java
